

Subject: HOUSEKEEPING

What's Happened?

Operative caught trailing lead to light unit, unit swung hitting operative in face.

How Did It Happen?

Cable not kept out of walk way.

Recommendations and Lessons to be learnt

Ensure:

- Good housekeeping measures in place
- All cables secured safely.
- Walkways kept clear
- Persons briefed on requirements
- Don't walk past.

If you see trip hazards, sort it don't leave it
